History and Objectives of Clan Logan Society International

The original Clan Logan Society was founded in 1913 by Thomas Logan, Esq., Provost of Partick, in Glasgow. Two successful Clan Logan Gatherings were held in Glasgow, in 1913 and 1914. But with the advent of World War I, Clan Gatherings were placed in abeyance. Many clansmen laid down their lives for king and country during this war and so the original Society disbanded.

The new Clan Logan Society International was established in 2002 under the leadership of Vernon E. Logan of North Carolina, USA, to carry on the efforts of the original Society. Vernon led this reformation of the Society nobly, and with a passion for a successful future of Clan Logan. In 2018, at the unexpected death of Vernon, James C. Logan was confirmed the second President of the Society by the Board of Directors in accordance with the bylaws of the Society. Under James' leadership, the Society experienced exponential growth in membership and now includes members from Scotland to the USA, to Guam, New Zealand, and Australia. The Society also maintains a close affiliation with the Clan Logan Society of Canada with its Commissioner, Steven Logan, serving on the Society's Board of Directors for nearly a decade.

The objectives of Clan Logan Society International are:

1. Reestablishment of the Chief of Name and Arms of Logan, i.e., Logan of Logan or Logan of that Ilk, in order to take the Chief's place on the Standing Council of Scottish Chiefs.
2. Fostering Logan family and clan sentiment and spirit, thereby cultivating and developing a sense of clanship, and promoting sociability and friendly discourse between members.
3. Collection and preservation of the history, traditions, arts, and artifacts connected with the Logan families of Scotland and Ireland and their kin of the Scottish diaspora; and provide for future research into, and presentation of, the aforementioned collection and preserved work, for all Logans to enjoy.
4. Encouragement of the wearing of tartans and other highland attire, especially tartans historically linked to the Logans and the Clan Logan crest.
5. Establishment of awards, scholarships, or grants for the following:
 - a. Competition undertaken in the name of Clan Logan and approved by the Board;
 - b. Research into the history, traditions, and legends of Clan Logan; and
 - c. Publication or other media production of stories of Clan Logan.
6. Raising of funds in support of all the foregoing purposes.
